Renaissance activates the best of Switzerland

Renaissance partners with Swiss SMEs to finance their growth- and succession-plans. We give preference to innovative SMEs with a turnover of between CHF 20 and 80 million. Our investments are financed exclusively by pension funds grouped together within our foundation. For the last 20 years, we have offered the investors and entrepreneurs who place their trust in us a locally-based, high-quality service.

Please feel free to contact us directly to explore cooperation possibilities together!
